Attachment Summary	5

2020-21 Phase Three: Comprehensive School Improvement Plan

School improvement efforts are a collaborative process involving multiple stakeholders. During the improvement planning process, leaders focus on priority needs, funding, and closing achievement gaps between identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

Goal: Long-term three to five-year targets based on the five (5) required school level goals. Elementary/middle schools must have goals for proficiency, separate academic indicator, achievement gap, growth, and transition readiness. High schools must have goals for proficiency, separate academic indicator, achievement gap, graduation rate, and transition readiness. Long-term targets should be informed by The Needs Assessment for Schools.

Objective: Short-term target to be attained by the end of the current academic year. There can be multiple objectives for each goal.

Strategy: An approach to systematically address the process, practice, or condition that the school will focus its efforts upon in order to reach its goals or objectives. There can be multiple strategies for each objective. The strategy can be based upon Kentucky's six (6) Key Core Work Processes listed below or another established improvement approach (i.e. *Six Sigma, Shipley, Baldridge, etc.*).

Activity: Actionable steps used to deploy the chosen strategy. There can be multiple activities for each strategy.

Key Core Work Processes: A series of processes identified by the Kentucky Department of Education that involve the majority of an organization's workforce and relate to its core competencies. These are the factors that determine an organization's success and help it prioritize areas for growth.

[KCWP 1: Design and Deploy Standards](#)

[KCWP 3: Design and Deliver Assessment Literacy](#)

[KCWP 4: Review, Analyze and Apply Data](#)

[KCWP 5: Design, Align and Deliver Support](#)

[KCWP 6: Establishing Learning Culture and Environment](#)

Measure of Success: Criteria that shows the impact of the work. The **measures** may be quantitative or qualitative but are observable in some way.

Progress Monitoring: Process used to assess the implementation of the plan, the rate of improvement, and the effectiveness of the plan. Should include timelines and responsible individuals.

Funding: Local, state, or federal funds/grants used to support (or needed to support) the improvement initiative.

There are six (6) required district goals:

- Proficiency, separate academic indicator, achievement gap closure, graduation rate, growth, and transition readiness.

The required school goals include the following:

- For elementary/middle school, these include proficiency, separate academic indicator, achievement gap, and, growth.
- For high school, these include proficiency, separate academic indicator, achievement gap, graduation rate, and transition readiness.

- a. Develop your Strategic Goals using the [Comprehensive School Improvement Plan Template](#).
- b. **Upload** your completed Comprehensive School Improvement Plan in the attachment area below.

You may enter an optional narrative about your Comprehensive School Improvement Plan below. If you do not have an optional narrative, enter N/A.

MSMS has continued to see improvements in teacher attendance as well as a decrease in the number of student behavior referrals. MSMS was selected as a 2017 KDE TELL KY Survey Winner. In the last several years, MSMS has undergone several changes. There has been a large turnover in staff, class sizes have increased substantially, and behavior incidents have decreased significantly. Overall the climate at MSMS has shifted for the better. Muhlenberg South Middle School is a place where teachers want to work, students want to be and people want to visit!
